## Practical Health Promotion

By John Hubley, June Copeman, James Woodall

Polity Press, United Kingdom, 2013. Paperback. Book Condition: New. 2nd Revised edition. 244 x 186 mm. Language: English . Brand New Book. The second edition of this popular introductory textbook has been fully revised to provide a totally up-to-date guide to the practical aspects of promoting health. Focusing on the range of skills needed to become an effective practitioner, it takes readers step-by-step through the different settings in which health promotion takes place, and the various tools they might employ. The book offers accessible and comprehensive coverage of all the key topics in contemporary health promotion, including chapters on health promotion through the lifespan, one-to-one communication, working with groups, using the media and digital technologies, advocacy, and planning and management. As well as incorporating the most recent government policies and initiatives in public health, the new edition draws on the very latest literature and statistics. In particular, there is new and expanded material on issues such as: community initiatives and social capital; novel resources offered by digital technologies; health literacy; health in the media; stress in the workplace, and much more. Throughout the text there are activities to develop students understanding and encourage reflective practice. Each chapter opens with a...
